### What happens next?

ASIC will update their register, so that the Fund's responsible entity is effectively changed from AUFM to AEF. From the date at which this occurs, units in the Fund will begin to be issued by AEF. A Product Disclosure Statement and Target Market Determination will be made available via the website [altiusam.com/funds/sustainable-short-term-income-fund](https://altiusam.com/funds/sustainable-short-term-income-fund).

A Transition Services Agreement is in place for a period of up to twelve months from the completion for AUFM to provide back and middle office support and services to AEF as part of its induction of the Fund, with a view to facilitating a smooth transition of responsible entity functions following completion and ensuring minimal disruption to unitholders.
