**Australian Unity Sustainable Enhanced Cash Fund ARSN: 606 111 166**

## Review of buy/sell spreads

Effective 18 November 2020, we have updated the buy/sell spreads for the following fund:

Fund	APIR	Former buy/sell spread	New buy/sell spread
Australian Unity Sustainable Enhanced Cash Fund	AUS0079AU	0.00%/0.10%	0.00%/0.05%

The buy/sell spread is a type of transaction cost incurred when buying and selling the underlying assets of the portfolio. The buy/sell spread aims to ensure that other investors aren't impacted by the transaction costs associated with a particular investor buying or selling units in the fund. The spread is based on our estimates of transaction costs and is retained in the respective fund to cover the costs as they are incurred. It is not a fee payable to the Responsible Entity.

We are continually monitoring buy/sell spreads and will update you of any changes via our website [australianunity.com.au/wealth](https://australianunity.com.au/wealth)
